

J.S. Held Announced as Sponsor for the 2017 CLM Annual Conference

Jericho, NY – March 18, 2017 – The Claims and Litigation Management Alliance (CLM) is pleased to announce J.S. Held as sponsor for the 2017 CLM Annual Conference. CLM will host 2,000 claims professionals and outside counsel in Nashville on March 29-31, 2017, during the largest insurance claims conference in the country. In addition to the plentiful networking opportunities there will be three days of powerful programs tailored to the contemporary needs of claims and litigation management professionals and defense attorneys serving the insurance industry.

J.S. Held is a multi-disciplinary consulting firm specializing in property damage consulting, construction claims consulting, environmental, health & safety services, project and program management, and dispute resolution services. Our organization is built upon three fundamental pillars: 1) to provide high quality technical expertise; 2) to deliver an unparalleled client experience; and 3) to be a catalyst for change in our industry. Our commitment to these pillars positions us as a leading global construction and environmental consulting firm, respected for our exceptional success addressing complex matters around the world. J.S. Held's consultants have provided their expertise on more than 100,000 commercial, industrial, high rise, special structures, governmental, residential, and infrastructure construction matters globally. J.S. Held continues to grow its team of professionals by expanding its network of offices throughout the United States and Canada.

About the CLM

The Claims and Litigation Management Alliance (CLM) promotes and furthers the highest standards of claims and litigation management and brings together the thought leaders in both industries. CLM's Members and Fellows include risk and litigation managers, insurance and claims professionals, corporate counsel, outside counsel and third party vendors. The CLM sponsors educational programs, provides resources and fosters communication among all in the industry. To learn more about the CLM, please visit www.theclm.org.
