

Catastrophe Response Services (CAT)

J.S. Held is the industry leader in providing support to insurance property adjusters when a catastrophe occurs anywhere in the world. We have provided teams in reaction to catastrophes on five continents for more than 30 years.

J.S. Held has responded to every type of catastrophic event and has a vast pool of experienced construction consultants and resources to deploy in these events.

With a proven track record to mobilize immediately, J. S. Held provides a clear, accurate response for clients in an otherwise chaotic environment.

Our construction experts provide unparalleled, rapid response with the following services:

- Preliminary Repair Budgets
- Damage Assessment and Scope Identification
- Estimating
- Project Monitoring
- Water and Smoke Restoration Consulting
- Roofing Inspection, Evaluation, and Testing
- Period of Restoration Scheduling and Analysis
- Replacement Cost Appraisals
- Actual Cash Value Determinations
- Appraisals

For more information, please contact Erik Jaeger, CAT Business Practice Leader, at (203) 438-4660 or ejjaeger@jsheld.com

Jenkinson's Boardwalk
Point Pleasant, New Jersey

The image shows a large, modern architectural structure with a complex, curved, grid-like facade, likely a boardwalk or public space. The structure is set against a clear blue sky with some light clouds. The foreground shows a paved area and some greenery.
